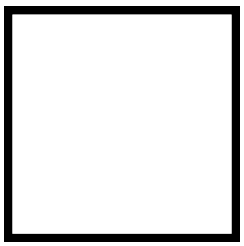
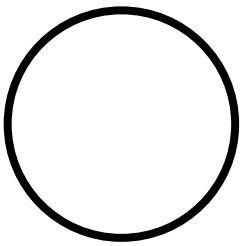
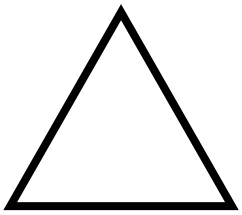
SHAPE MONSTERS



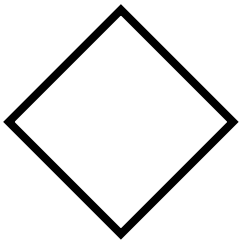
Square



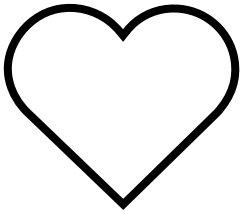
Circle



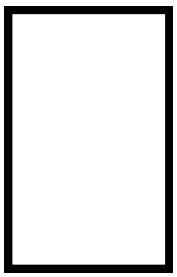
Triangle



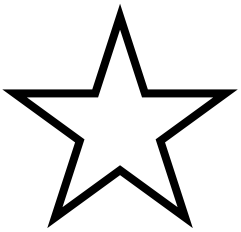
Diamond



Heart



Rectangle



Star

Directions

Ask students these questions and let them answer. Once they know, reveal what shapes they get! The first answer is a square, and the last is a star. After the five questions are asked, students can than draw whatever else they want to make their shape people monster-y! (This works great, especially if you're teaching this in October!

Face - What color do you like?
Red Orange Yellow Green Blue Purple Other
